Discussion about Year vs Seasonal Registration vote soon

Change from Spring / Fall registration to a yearly registration.

Things to think about and discuss:

New Cost which includes the new \$5 increase in insurance fees

Process for uniform ordering (2 year cycle? Pinnies or something else with every order?)

In-house continue to order uniforms twice a year to change teams around

2/3 payment required to be paid for Fall to keep people from dropping out halfway

Idea is for coaches to keep team for a year but can make changes in between seasons.

New Business

- Team works booked for 26 weeks Oct-April \$3900
- \$100 half field or \$200 full field
- Possible clinic

June 19 New England Revolution Game- each player will get free ticket

Movie for Marissa scheduled
